

## Students 2 Students Peer Educator Volunteer Services Agreement

I, \_\_\_\_\_, understand the expectations for a peer educator. I agree to volunteer my services as a peer educator for one year, from January 30 through December 31, 2009. I will abide by the policies, procedures, expectations, and Code of Ethics of a Peer Educator as defined by ISU and the BACCHUS Peer Education Network. I further agree to fulfill the responsibilities of this position to the best of my ability.

I understand that meetings are **mandatory**. A maximum of 1 unexcused absence per semester will be tolerated. If exceeded, I understand that the advisors will review my record with the organization, and I may be put on probationary status or I may be asked to resign from the Students 2 Students peer education team. In the event that a meeting absence is necessary, I will contact my advisors ahead of time via phone or email to let them know of the situation. The advisors will determine whether the absence is excused or unexcused.

The Students 2 Students Peer Education Network will provide training, supervisory skill, leadership development, program materials, and support in return for my services.

If at any time I find I am no longer able to continue my position as a Students 2 Students Peer Educator, or if I break the Peer Educator Code of Ethics, I may contact the advisors and withdraw my contract. I will make every effort to give at least one week's notice of my withdrawal. I understand that I may contact the advisors at any time with any questions or concerns, which I may have related to my position. If at any time the advisors for S2S find that I have not acted in the best interests of myself, the program or ISU, or if I have broken the Code of Ethics, they may terminate my association with this program and I may be subjected to further disciplinary action.
